Fisika	384(16)	Physics

Let Wel: Hierdie stroom lei tot 'n honneursprogram in Teoretiese Fisika en, met die volg van toepaslike keusemodules, ook tot 'n honneursprogram in Fisika of in Fisiese en Wiskundige Analise.

Please Note: This stream leads to an honours programme in Theoretical Physics and also, if applicable elective modules are taken, to an honours programme in Physics or in Physical and Mathematical Analysis.
